# Foreign Worker Program

## Do you want to work in the USA?

There are real opportunities for Ghanaians interested in working in the healthcare industry in America.

Healthcare companies in the United States are seeking compassionate, focused, mission-driven workers with a heart for the elderly and disabled.

Omni Global Solutions (OGS) is a top-notch global placement agency that is seeking “the best of the best” in the Ghanaian workforce for its foreign worker program.

# What Sets OGS Apart from other programs?

- Established relationships with reputable American companies that are eager to tap into the largely unexplored Ghanaian worker pool.
- Relationship with an excellent immigration attorney who has over 15 years of experience doing foreign labor certifications.
- A transparent, streamlined step by step plan that cuts no corners as it guides prospective foreign workers through the US immigration process towards a legitimate work visa.
- One of the few programs that provides immigration services for not only the prospective workers, but their spouse and any children as well.
- Guaranteed placement with an American company that is willing to pay a portion of the costs involved in obtaining a valid green card for you.
- Optional relocation services that cater to the prospective worker long after their arrival in the United States; offering housing, transportation, medical and legal assistance, among other services and benefits.
- A fair, reasonably-priced program that is individualized, customizable, and creates a personalized payment plan for each prospective worker.
- Regular updates and recommended trainings during the anticipated 24-to-30-month program cycle that thoroughly prepare the prospective worker for employment and life in the United States.
- An opportunity to gain valuable work experience in the healthcare field with some part-time employment in Ghana prior to accepting a paid, full-time position in the United States.

## PROGRAM REQUIREMENTS
