International Student Work Program

Do you want to work in the USA?

Do you want to work in the USA? There are real opportunities for international students interested in working in the healthcare industry in America after graduation.

Healthcare companies in the United States are seeking compassionate, focused, mission-driven workers with a heart for the elderly and disabled.

Omni Global Solutions (OGS) is a top-notch global placement agency that is seeking “the best of the best” of eligible international students for its foreign worker program.

What Sets OGS Apart from other programs?

- Established relationships with reputable American companies that are eager to tap into the largely unexplored international student worker pool.
- Relationship with an excellent immigration attorney who has over 15 years of experience doing foreign labor certifications.
- A transparent, streamlined step by step plan that cuts no corners as it guides international students through the US immigration process towards a legitimate work visa.
- One of the few programs that provides immigration services for not only international students, but spouses and any children as well.
- Guaranteed placement with an American company that is willing to pay a portion of the costs involved in obtaining a valid green card for the international student.
- Optional relocation services that cater to the student long after their placement with the company; offering housing, transportation, medical and legal assistance, among other services and benefits.
- A fair, reasonably-priced program that is individualized, customizable, and creates a personalized payment plan for each prospective worker.
- Regular updates during the anticipated 24-to-30-month program cycle that thoroughly prepare the prospective worker for employment in the United States.

PROGRAM REQUIREMENTS

- Must be an adult age 18 and older
- Speak fluent English
- Have the compassion and empathy necessary to work with the elderly or disabled
